4. Mares on the premises of Schmersal Reining Horses, LLC have a breeding priority on any given breeding day. Therefore, we make no guarantee that frozen semen will be available for transportation on any specific day. Dr Tyler Troop collects stallions on an every-other-day basis. We Will Not Make Exceptions! This is to preserve stallion fertility throughout our breeding season. Breeding season exists February 1<sup>st</sup> through July 1<sup>st</sup>.

5. This contract contains a "Live Foal Guarantee". A live foal is described as a newborn foal which stands and nurses without assistance. If a foal is born dead, or the mare absorbs/aborts a predetermined pregnancy there are return privileges, only if the Stallion Manager is notified within thirty (30) days and receives a statement confirming this. A "Live Foal Guarantee" will apply only to those mares that are certified in foal by a licensed, attending veterinarian. Confirmation of such pregnancy in the form of documented ultrasound picture or letter from the attending veterinarian must be received by October 1 of the breeding year or the mare will not be included in the Stallion Breeding Report.

6. If the mare absorbs or aborts a pregnancy after having been pregnancy checked in foal, or if the mare fails to conceive during normal breeding season, the Stallion Manager agrees to breed the same mare again during the immediately following year's breeding season. There is a charge of \$500 for re-breed service expenses. A substitute mare, accepted by the Stallion Manager, may be used ONLY if the original mare is deceased or deemed unfit for breeding by an accredited veterinarian.

7. A Breeder's Certificate will be issued for the foal conceived as a result of the breeding. The Breeder's Certificate will be issued only after all expenses have been paid in full and after the foal is born and has been reported to the Stallion Manager.

8. Neither Dr Tyler Troop nor any of its members or employees shall be liable for damages as a result of damage to the semen or as a result of the mare failing to settle. Dr Tyler Troop's sole liability under this contract is in the event the stallion should die or become unfit for breeding purposes this contract shall terminate and any money paid on the stallion fee, except the non-refundable booking fee, shall be refunded to the Mare Owner.

9. When signed by both parties this document will become a legally enforceable contract, binding upon both parties.
